

FARMTRAC FT26

Compact design and unmatched versatility

The FT26 and FT26HST are ideal for multiple applications, such as greenhouses, smallholdings, paddocks or orchards. Powered by a 24.4hp Mitsubishi diesel engine with selectable 4WD and available with a 9x3 manual transmission or a 3-range HST transmission. There's an abundance of versatility with the FT26 models.

Ground clearance (mm)	310	265
Weight (kg)	1000	1050

Logically laid out controls

Independent HST Pedals

Rear three point linkage

Standard Equipment

- 24.4hp Mitsubishi diesel engine
- Selectable 4WD
- Power steering
- Rear hydraulic spool valves
- Folding ROPS
- Easy to view instrument panel
- Rear work lamp
- Road lighting kit
- Flashing beacon (ROPS mounted)
- Battery isolator
- Rear mounted tool box

Optional Equipment

- Agricultural tyres
- Turf tyres
- Industrial tyres
- 3000 series front loader
- Loader 3rd function kit
