Meet the NEW ultimate tractor accessory. Made to carry. Built to perform.

The ultimate tractor attachment that adds valuable cargo space and a safe way to securely haul more than 20 tools and everything else you may need.

Carry more and get more done with your tractor! The heavy-duty strength of the ULTIMATE RACK® means grounds maintenance jobs like moving firewood, planting trees, spreading mulch and managing properties will get done much more efficiently. Safely carry all your tools needed for the job by using the many built-in tool holders - from shovels to pole saws, strimmers to chainsaws, this beast can carry it all.
